Story Mode

Set a sequence of battles with intros, selectable characters, bosses, rivals, and much more.

Selectable Characters (Story Mode): Which characters From your character roster are selectable in the character selection screen on Story Mode?

Selectable Characters (Versus Mode): Which characters from your character roster are selectable in the character selection screen on Versus Mode?

Allow Mirror Matches: If toggled, the selected character can face itself during Story Mode.

Use the same story for all characters: If untoggled, each character will have his/her own opening/ending scene and group of characters to fight.
